

The management of Baba Farid Sugar Mills Limited (BFSML) is committed to comply with all the elements of Bonsucro Production Standard, Bonsucro Production standard for Small Holders and Bonsucro Chain of Custody standard for Procurement of sugarcane, its processing and dispatch.

Management will ensure to develop and implement an effective mass balance and traceability mechanism of “Refined White Sugar”

We are also endeavoring to comply international, national and company’s own sustainability, health, safety, hygiene, quality and environmental legislations, laws and regulation applicable to BFSML.
