CHIEF EXECUTIVE

DIRECTOR

BABA FARID SUGAR MILLS LIMITED

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UN-AUDITED) FOR THE NINE MONTHS AND THIRD QUARTER ENDED JUNE 30, 2017

1 STATUS AND NATURE OF BUSINESS

1.1 Baba Farid Sugar Mills Limited ("the Company") was incorporated in 1978 under the Companies Act 1913 (now Companies Ordinance, 1984) as a Public Limited Company and its shares are quoted at Pakistan Stock Exchange. It is principally engaged in the manufacturing and sale of sugar including its by-products i.e. molasses and V.Filter cake. The registered office of the Company is situated at Suite T-09, 3rd Floor, 75 - E/1, Main Boulevard, Gulberg III, Lahore and its manufacturing facilities are located in the district Okara, Punjab.

1.2 Going Concern Assumption

During the current financial period, the Company has incurred profit before tax amounting to Rs. 128,508,865 (June 30, 2016: net loss of Rs. 4,388,505) and at balance sheet date its accumulated losses have stood up to Rs.1,058,148,438 (June 30, 2016: Rs.1,217,959,120). Further, the Company's equity is in negative and its current liabilities have exceeded its current assets by Rs.889,719,262 (June 30, 2016: Rs.992,157,243). These conditions may cast significant doubt on Company's ability to continue as a going concern and, therefore, that it may be unable to realize its assets and discharge its liabilities in the normal course of business. However, the management has taken various measures to improve the financial position of the Company which include the sponsors' continued assurance for arrangement of funds as and when required, prompt discharging of its liabilities including financial obligations, securing growers' commitments for availability of quality sugarcane and hiring of competent management personnel for managing Company's affairs.

The management has firm belief that the above stated measures shall mitigate the doubt about the Company's ability to continue as a going concern and also justifies the preparation of this condensed interim financial information on going concern basis.

2 ACCOUNTING POLICIES

- 2.1 Accounting policies adopted for the preparation of this condensed interim financial information are the same as those applied in the preparation of the preceding annual financial information of the Company for the year ended September 30, 2016.
- 2.2 The provision for the current taxation for the period represents the minimum tax on turnover and final liabilities will be determined on the basis of annual results. However, deferred taxation has been provided / reversed in this condensed interim financial information. The Company has accounted for deferred tax assets to the extent of un-absorbed tax depreciation.
- 2.3 Due to seasonal availability of sugar cane the manufacturing of sugar is carried out during the period of sugar cane and costs incurred / accrued up to the reporting date have been accounted for. Accordingly the costs incurred / accrued after the reporting date will be reported in the subsequent financial information.

3 ESTIMATES AND JUDGMENTS

The preparation of condensed interim financial information requires management to make judgments, estimates and assumptions that effect and application of accounting policies and the reported amount of assets, liabilities, income and expenses. However, actual results may differ from these estimates.

In preparing this condensed interim financial information the significant estimates made by management in applying the Company's accounting policies and the key sources of estimation uncertainties are the same as those as that applied to the financial information as at and for the year ended September 30, 2016.
